

PAKISTAN BS SCHOLARSHIPS, FINANCIAL AID & INTEREST-FREE LOANS

A practical 4-year guide for public and private university students

[Eligibility](#) | [Domicile rules](#) | [Merit criteria](#) | [Required documents](#) | [Application steps](#) | [Opening windows](#) | [Renewal conditions](#) | [Official links](#)

Prepared for student counselling and public awareness

Important use note

Dates change every year

Exact 2026 dates are shown where an official call or university notice was available. Where no 2026 call was published, the guide states a typical month or tells the student to monitor the official portal. Never treat a previous-year date as an automatic future deadline.

Admission and scholarship are usually separate

A student normally has to win admission on merit first, then submit a financial-aid form. Many schemes exclude self-finance, evening, affiliated-college or private-university students. Read the institution rule before paying a non-refundable fee.

This is a national guide, not a legal guarantee

Funding depends on annual budgets, available slots, verification, interview, academic progress and the sponsor's current policy. A university Financial Aid Office (FAO), Student Financial Assistance Office (SFAO), Scholarship Office or Student Affairs Office is the final operational authority.

How to read the status labels

Label	Meaning
OPEN / ACTIVE	A 2026 portal or call was visibly active on the verification date.
ROLLING	Applications may be taken throughout the year, subject to budget and university processing.
UNIVERSITY CALL	The sponsor works through selected universities; the campus announces its own deadline.
MONITOR	The scheme exists, but no new 2026 intake date was confirmed.
CLOSED / NEXT CYCLE	The latest identified deadline has passed; prepare for the next annual call.
LEGACY / NO FRESH CALL	The scheme is historically important but no current fresh undergraduate intake was verified.

Verification approach: official government portals, official university pages and official trust/NGO pages were prioritized. A university notice was used for a current deadline only when the central portal did not expose the date clearly.

Contents

- 1. The fastest way to find your best funding route
- 2. Universal eligibility and document checklist
- 3. Current 2026 status dashboard
- 4. Nationwide government and HEC programs
- 5. Provincial and domicile-based programs
- 6. Employment-linked benefits: government employees and industrial workers
- 7. Trusts, charities and interest-free education loans
- 8. Major university-specific financial aid systems
- 9. Month-by-month application calendar
- 10. Four-year renewal and survival plan
- 11. Profile-based recommendations
- 12. Interview preparation, rejection prevention and scam safety
- 13. Official source directory and student tracking sheet

Scope

This guide covers the main types of support available for a four-year BS degree in Pakistan: full and partial tuition scholarships, need-based grants, stipends, hostel/living support, provincial endowments, employee welfare benefits, interest-free study loans, outreach programs and university-funded aid. It gives detailed examples from major public and private institutions. No static guide can list every donor at every campus, so a repeatable method is included for finding local and department-level funds at any HEC-recognized institution.

1. The fastest way to find your best funding route

Decision path

1. First confirm that the BS program and university are recognized by HEC and, where relevant, by PEC, NCEAC, PMDC or another professional council.
2. Apply for admission on open merit. Do not assume that a scholarship creates a separate admission seat unless the official program explicitly says so.
3. At the same time, check your strongest identity-based route: domicile, parent employment, industrial worker status, minority status, disability, orphan status or low-income status.
4. Submit the university financial-aid form even when you are also applying for an external scholarship. Internal aid can bridge a delay or partial award.
5. Apply to every compatible program, but disclose all applications. Most sponsors prohibit holding two awards for the same expense.
6. Track renewal conditions from day one: minimum GPA, full course load, attendance, no failed/repeated course, annual income update and service/worker status.

Funding type comparison

Funding type	Repayment?	Typical coverage	Best for
Merit scholarship	No	Tuition; sometimes full fee	Board toppers, admission toppers, high test scores
Need-based grant	No	Partial/full tuition; sometimes stipend	Low-income students who can document household need
Provincial endowment	No	Tuition and/or annual stipend	Students with the required domicile/PRC
Employee welfare grant	No	Annual stipend or fee reimbursement	Children of eligible government employees
Workers Welfare scholarship	No	Fee, hostel/transport and monthly stipend	Children of registered industrial workers
Qarz-e-Hasna / study loan	Yes - principal only	Usually tuition; rules vary	Students who can repay after graduation
Outreach/talent hunt	No	Preparation plus possible full BS support	High-potential students before or during admission
Charity/trust scholarship	Usually no	Annual stipend or partial fee	Needy students meeting donor-specific rules

Golden rule

A 100% tuition scholarship does not automatically cover admission fee, security deposit, hostel, mess, transport, books, laptop or summer/repeated courses. Ask for a written coverage sheet before accepting the offer.

2. Universal eligibility and document checklist

A. Core eligibility checks

- Pakistani citizenship unless the program says otherwise.
- Admission or enrollment in an eligible HEC-recognized BS program.
- Open-merit/regular admission where self-finance is excluded.
- Domicile or PRC matching the sponsoring province/region.
- Minimum marks or GPA stated in the current call.
- Household income and assets within the sponsor's threshold.
- No duplicate scholarship, or full disclosure and surrender of one award if both are approved.
- Full-time study, required credit load, attendance and satisfactory conduct.
- Continued academic performance for every renewal semester/year.

B. Master document pack - prepare before admissions open

Folder	Documents
Identity	Student CNIC or B-Form; father/mother/guardian CNIC; recent passport photographs.
Residence	Domicile; PRC where required (especially Sindh); local certificate for Balochistan/GB/AJK; permanent and present address proof.
Academic	Matric/O-Level and Intermediate/A-Level result cards; equivalence; transcripts; admission test result; merit list/admission offer; current enrollment/bonafide certificate.
Income	Latest salary slips; pension slip/PPO; employer certificate; business income statement; agriculture/land income; unemployment affidavit; tax return where available.
Household	Family Registration Certificate; list of dependents; siblings' fee slips; rent agreement; utility bills; medical bills; loan statements.
Assets	Owned/rented house details; plots/land; vehicles; bank statements; livestock/business assets when asked.
Special category	Death certificate for orphan/deceased worker; disability certificate; minority verification; divorce decree/certificate; martyr certificate; government service or worker/EOBI/PESSI record.
University	Fee challan/fee structure; hostel allotment; student card; semester registration; full course-load proof.
Attestation	Use the authority named in the form: gazetted officer, institution head, controller/registrar, notary/oath commissioner, employer or religious elder.
Digital file	Scan clearly, combine in the requested order, use readable names such as CNIC_Student.pdf, and keep files below the portal size limit.

C. Standard application procedure

7. Create a deadline tracker and register on the official portal using your own active email and mobile number.
8. Complete the admission form first when a merit admission is compulsory.
9. Select the financial-aid/scholarship option in the admission portal; some universities do not reopen it later.
10. Enter household income consistently across every form. Explain irregular or cash income through an affidavit instead of leaving it blank.
11. Upload documents and save the final submitted PDF/screenshot, tracking number and acknowledgement email.
12. Where required, submit a signed hard copy to the FAO/SFAO, parent department, district office or provincial focal person before the physical deadline.
13. Attend interview with originals and be ready to explain income, expenses, assets, dependents and why the chosen university/program is necessary.
14. After selection, sign the award/loan agreement and obtain a written breakdown of covered and uncovered charges.

15. At every semester end, save transcript, paid challans, registration and attendance evidence for renewal.

3. Current 2026 status dashboard

The dates below are a snapshot as of Sunday, 19 July 2026. Recheck the linked portal immediately before applying.

Program	Status on 19 Jul 2026	Latest verified date	What the student should do now
SEEF 2025-26	OPEN	Apply by 31 Aug 2026	Sindh-domiciled students at panel universities should apply online and submit the institution copy.
Punjab Honhaar	PORTAL ACTIVE / VERIFY DEADLINE	New registration shown on participating university page	Punjab-domiciled eligible students should check the central portal and campus focal person today.
BEEF Out-of-Province	OPEN centrally; campus dates vary	BEEF homepage shows scheme open	Balochistan-domiciled students must apply through the university focal person, not directly.
FAST-NU Fall 2026 aid	UPCOMING CAMPUS PROCESS	UG result 22 Jul; formalities 27 Jul-13 Aug	Selected students needing aid should obtain the financial-aid/study-loan form immediately after admission selection.
COMSATS Lahore Fall 2026	ADMISSION OPEN	Admission deadline 24 Jul 2026	Apply for admission, then monitor campus scholarship/FAO announcements.
Habib University June series	CLOSED	Scholarship/FA deadline was 17 Jul 2026	Contact admissions only for any officially announced late/rolling option; otherwise prepare for next cycle.
LUMS regular UG aid	CLOSED	FA deadline was 28 Feb 2026	Current applicants follow their decision; future applicants prepare Nov-Feb.
LUMS NOP SCS 2026	CLOSED	10 Mar 2026 application; 13 Mar documents	First-year Intermediate/A-Level students prepare for the next annual NOP cycle.
Sukkur IBA OGDC-NTHP	CLOSED	Feb 2026 application/test cycle	Prepare documents and monitor the next national talent-hunt call.
KPEF 2025-26	CLOSED / RESULTS ISSUED	Deadline 15 Dec 2025; lists Apr-May 2026	Fresh first-year BS students should watch Oct-Nov for the next call.
Punjab Benevolent Fund 2026	CLOSED	Applications invited in Jan; 2026 window reported Jan-Mar	Children of Punjab government employees should prepare verified DMC and submit through parent department next January.
Punjab minority scholarship	CLOSED	20 Jan 2026	Prepare for the next annual call; retain Punjab domicile and institutional verification.
HEC Balochistan/ex-FATA Phase III	CLOSED / SELECTION	Latest batch deadline 23 Oct 2025	Monitor HEC for next batch; prepare domicile, HSSC and test documents.
NBP Student Loan	MONITOR	No fresh 2026 closing date confirmed	Check NBP Student Loan page and university focal office; do not use old dates from blogs.
HEC Need-Based	UNIVERSITY CALL	No single national deadline	Ask your public university FAO in the first weeks after admission.

4. Nationwide government and HEC programs

HEC Need-Based Scholarship Program

Status / timing	Support type	Coverage	Main gateway
UNIVERSITY CALL - active through participating public universities	Need-based grant; not repayable	University fee plus PKR 6,000 monthly stipend, subject to allocation	Financial Aid Office of an HEC-selected public university

Who can apply: Financially constrained students admitted to or already enrolled in a 4-5 year undergraduate program at a participating public-sector university/DAI. Self-finance students are ineligible.

Academic / merit rule: Admission must be secured under the university admission policy. Final need assessment is made by the Institutional Scholarship Award Committee; no single national marks cut-off replaces university admission merit.

How to apply: Download/obtain the HEC need-based form, complete the household profile, attach evidence, and submit the complete application to the university FAO - not directly to HEC. The institution interviews/verifies and recommends candidates against available slots.

Key documents: Admission/enrollment proof, academic results, CNIC/B-Form, family income and asset documents, utility bills, dependents and university fee details.

Continuation / caution: Funding can continue for the full program, but remains tied to enrollment, satisfactory progress and the university award terms. Do not switch to self-finance.

Official source: [HEC eligibility and application route](#)

HEC Undergraduate Scholarship for Balochistan and Erstwhile FATA (Phase III)

Status / timing	Support type	Coverage	Main gateway
CLOSED / current selection; latest identified deadline 23 Oct 2025	Regional fully/major funded scholarship	Fee/hostel support, living allowance and other approved allowances within program ceilings	HEC online portal and scholarship test/merit process

Who can apply: Pakistani/AJK national with valid Balochistan or erstwhile FATA domicile/local certificate, HSSC/equivalent, age and other conditions in the batch advertisement, and not holding another HEC/government scholarship.

Academic / merit rule: Latest published formula identified for the scheme: Matric 20%, Intermediate 30%, scholarship test 50%. The current advertisement controls minimum marks, age and test threshold.

How to apply: Apply online during the HEC call, upload domicile and academic data, submit any required hard copy, take the HEC/ETC test, and follow provisional merit/objection/admission instructions.

Key documents: CNIC/B-Form, domicile/local certificate, SSC/HSSC results, photograph, admission/enrollment evidence if allowed, and declarations about other funding.

Continuation / caution: Regional proof must be genuine. Selection does not remove the need to secure admission in an approved institution/program and remain academically satisfactory.

Official source: [HEC Balochistan and erstwhile FATA program](#)

HEC Undergraduate Scholarship for Gilgit-Baltistan

Status / timing	Support type	Coverage	Main gateway
MONITOR - Phase I completed; no fresh Phase II date confirmed	Regional undergraduate scholarship	Tuition, hostel, living stipend, books and travel within approved limits	HEC call for GB-domiciled students

Who can apply: GB domicile/local certificate, completed HSSC/equivalent, not already holding another HEC/government scholarship. A current call may allow students enrolled for no more than one academic year.

Academic / merit rule: Award is merit-based under the published advertisement and test/selection process; public-sector university study is required under the current eligibility page.

How to apply: Monitor HEC, apply online when the next phase is announced, take the required test and secure admission in an approved public university.

Key documents: GB domicile/local, CNIC/B-Form, HSSC/equivalence, academic record, photograph and enrollment/admission documents.

Continuation / caution: Any cost above the approved ceiling may be the student's responsibility. The next phase must be confirmed before relying on this source.

Official source: [HEC GB eligibility criteria](#) | [HEC March 2026 Phase I update](#)

HEC-OGDCL Need-Based Scholarship

Status / timing	Support type	Coverage	Main gateway
UNIVERSITY / PARTNER CALL - confirm current slots	Need-based scholarship for selected districts/disciplines	Approved education costs under the partner arrangement	Participating public university FAO and OGDCL/HEC call

Who can apply: Students from OGDCL operational/concessional districts, admitted in specified partner public universities and disciplines, with demonstrated financial need.

Academic / merit rule: Merit admission plus need assessment. District, university and discipline lists are decisive.

How to apply: Check the official partner list, then submit through the university FAO when it advertises the OGDCL scholarship. Do not send an unsolicited form to a non-partner campus.

Key documents: Domicile/residence proof for an eligible district, admission proof, academics, income/asset evidence and university form.

Continuation / caution: Availability depends on partner funding and annual university allocation.

Official source: [HEC OGDCL scholarship page](#)

Benazir/Ehsaas Undergraduate Scholarship - legacy intake

Status / timing	Support type	Coverage	Main gateway
LEGACY / no fresh 2026 undergraduate call verified	Historic need-based grant	Historically tuition and stipend for eligible public-university undergraduates	HEC/BISP portal when a new official intake exists

Who can apply: Previous calls targeted newly admitted merit students in HEC-recognized public universities and excluded self-finance/evening, affiliated colleges, private institutions and duplicate grants.

Academic / merit rule: Merit admission plus financial need; quotas were used in prior phases.

How to apply: Do not apply through unofficial forms. Monitor only HEC and BISP for a fresh call and follow the year-specific eligibility.

Key documents: Historically CNIC/B-Form, admission, household income/assets and university verification.

Continuation / caution: Treat old figures such as annual national award counts or old income ceilings as historical, not a current 2026 promise.

Official source: [HEC Ehsaas/Benazir undergraduate information](#)

USAID Merit and Needs-Based Scholarship - legacy/partner status

Status / timing	Support type	Coverage	Main gateway
LEGACY / confirm only through partner university	Merit-cum-need grant	Historically tuition, books, boarding/lodging, transport and approved academic costs	Partner university FAO

Who can apply: Historically, merit-admitted financially needy students in designated partner public universities and disciplines; self-finance/evening and duplicate awards were excluded.

Academic / merit rule: University merit admission plus need assessment.

How to apply: Only apply if your university issues a current official call. Complete the HEC/partner process and submit the printed form/documents to the university FAO, not directly to HEC.

Key documents: Admission, academics, CNIC, household income/assets, university verification.

Continuation / caution: Many web pages describe completed phases. Confirm current funding year and available cohort before counting it in your budget.

Official source: [HEC USAID merit and need-based page](#)

Pakistan Bait-ul-Mal - Individual Financial Assistance (Education)

Status / timing	Support type	Coverage	Main gateway
ROLLING / first-come, budget dependent	Direct education assistance; not repayable	University fee including approved boarding charges up to PKR 150,000 annually, paid directly to institution	PBM district/regional/provincial office and public institution

Who can apply: Poor, deserving regular/merit students in government/public-sector schools, colleges, universities or technical institutes; monthly income below PKR 74,000 under the current page. Private/self-finance students and children of government employees are ineligible.

Academic / merit rule: Regular merit enrollment and documented financial hardship.

How to apply: Complete an application, obtain the PBM-format bonafide certificate from the institution, attach evidence and submit to the relevant PBM office. Follow up through the institution because payment is made directly.

Key documents: CNIC/B-Form, address, bonafide certificate, academic certificates, parent affidavit, fee slip/structure and income proof.

Continuation / caution: Assistance is subject to verification, budget and non-duplication with similar government assistance.

Official source: [Pakistan Bait-ul-Mal IFA Education](#)

National Bank of Pakistan Student Loan Scheme

Status / timing	Support type	Coverage	Main gateway
MONITOR - official scheme exists; no fresh 2026 deadline confirmed	Interest-free student loan	Approved education expenses under the current advertisement and subject list	NBP Student Loan Wing / designated university and bank process

Who can apply: Meritorious financially constrained students pursuing approved scientific, technical or professional education in Pakistan. Historical rules included public-sector merit admission, subject/age limits and academic thresholds; the newest advertisement controls.

Academic / merit rule: Selection combines merit and financial constraint under the scheme committee.

How to apply: Download only the current official advertisement/form, obtain institutional verification, complete guarantor and bank requirements, and submit to the address named in the call.

Key documents: Admission, results, CNIC, income/asset evidence, guarantor/bank documents and institution certification.

Continuation / caution: A loan must be repaid under the agreement. Do not use old newspaper deadlines or age limits without checking the current NBP advertisement.

Official source: [NBP Student Loan Scheme](#)

Workers Welfare Fund / Provincial Workers Welfare Boards

Status / timing	Support type	Coverage	Main gateway
ACTIVE - claim through MIS/provincial board and institution	Worker-child scholarship and fee sponsorship; not repayable	For BS/Graduation: approved admission, tuition, transport, hostel/messing, registration, exam, library, lab/computer charges plus PKR 4,500 monthly stipend	WWF/Provincial WWB MIS, employer/worker record and educational institution

Who can apply: Real child of an eligible registered industrial worker; establishment registered under the applicable law and EOBI/Social Security; worker normally has at least three years cumulative service and is in service. Children of deceased workers may qualify where the death grant condition is met. Student must be merit-enrolled in an HEC-recognized public or private institution.

Academic / merit rule: Merit admission and approved course; all normal subjects/credits must be taken and the course completed in the approved minimum period.

How to apply: Confirm the factory/establishment and parent are registered, create/use the worker MIS route, download the new educational claim form/checklist, obtain employer and institution verification and submit the claim through the designated board process.

Key documents: Worker CNIC/service certificate, EOBI/PESSI or social-security proof, employer/establishment verification, relationship proof, admission/merit proof, fee and hostel/transport documents, student CNIC/B-Form.

Continuation / caution: Submit ongoing claims as required. Changing discipline, extending beyond the normal period or incomplete service proof can stop support.

Official source: [WWF eligibility and scholarship rates](#) | [WWF claim forms and checklists](#)

Federal Employees Benevolent and Group Insurance Funds (FEB & GIF)

Status / timing	Support type	Coverage	Main gateway
ACTIVE annual benefit - through parent department	Education stipend and selected fee reimbursement	Graduation stipend PKR 24,000/year; professional studies PKR 40,000/year; specified public-sector professional fee reimbursement up to the current rule ceiling	Federal government employee's department and FEB & GIF

Who can apply: Children of serving, retired or deceased federal government employees; generally up to two children in a financial year. Fee reimbursement is for merit admission in specified public-sector disciplines, not private institutions/self-finance.

Academic / merit rule: Typically 70% in the last examination for graduation/professional stipend. Fee reimbursement requires passing the semester/year without failing a subject.

How to apply: Download the relevant form, get Part A signed by the authorized head of department, have university results verified by the named examination/registrar authority, and route the application through the parent department.

Key documents: Verified result/DMC, student and employee CNIC, service/retirement/death proof, fee receipt/structure, department certification and any rule-specific papers.

Continuation / caution: Apply for each eligible year/semester as the rule requires. Private-university fee reimbursement is not admissible, although the annual stipend may cover study in public or private institutions under its category rule.

Official source: [FEB & GIF education benefits](#) | [FEB & GIF rates and FAQs](#)

Federal Minority Students Scholarship (Ministry of Religious Affairs)

Status / timing	Support type	Coverage	Main gateway
CLOSED / next annual call - 2025-26 deadline was 28 Oct 2025	Annual minority education stipend	Annual amount by study category; current ad controls rate and allocation	Ministry online/advertised application route and institution verification

Who can apply: Non-Muslim Pakistani minority students meeting the current marks, income, enrollment and institution conditions.

Academic / merit rule: Merit ordering subject to complete eligibility and available funds.

How to apply: Apply during the annual ministry advertisement, complete the prescribed form and obtain institution and income verification before the closing date.

Key documents: CNIC/B-Form, academic result, institution certificate, income certificate/affidavit, minority/religion information and photograph.

Continuation / caution: A fresh annual application is normally required. Follow the new fiscal-year advertisement, not the previous deadline.

Official source: [Ministry of Religious Affairs official portal](#)

5. Provincial and domicile-based programs

Domicile example

For a Punjab-only scheme, the student normally needs a Punjab domicile - studying in Lahore or Islamabad does not create Punjab eligibility. Likewise, SEEF requires Sindh domicile/PRC, KPEF requires KP/NMD domicile, and BEEF requires Balochistan local/domicile for its principal schemes.

Punjab Educational Endowment Fund (PEEF) - Outreach Scholarships

Status / timing	Support type	Coverage	Main gateway
ANNUAL / institution and board-driven selection	Merit-cum-need scholarship	Tuition/stipend support according to PEEF level and allocation	PEEF, Board data and educational institution

Who can apply: Punjab/FBISE examination pass-outs meeting the current marks and family-income conditions, regular full-time admission in the same academic year, and no other scholarship. Current PEEF pages use a PKR 60,000 monthly household-income ceiling for major streams, with stated exemptions.

Academic / merit rule: Generally at least 60% in the relevant Matric/Intermediate annual examination; marks improvers, supplementary and grace-mark cases are excluded under the stated outreach rules.

How to apply: PEEF identifies eligible students through board/institution data or a focal process. Keep contact/address correct, respond to the intimation/form, obtain institutional verification and return it within the deadline.

Key documents: Punjab domicile where required, result card, admission/bonafide, income affidavit/certificate, CNIC/B-Form and fee/institution details.

Continuation / caution: Maintain regular enrollment and disclose any new scholarship. Amount and slots vary by level and district.

Official source: [PEEF Outreach Scholarships](#) | [PEEF official portal](#)

PEEF Special Quota Scholarships

Status / timing	Support type	Coverage	Main gateway
CLOSED / next cycle - latest 2025-26 call posted 29 Sep 2025	Special-category merit-cum-need scholarship	PEEF scholarship through the student's institution	PEEF online call and district/category merit list

Who can apply: Eligible categories include orphans; children of government employees BPS 1-4; religious minorities; students with disabilities; children of civilians martyred in terrorist attacks; and children of divorced mothers.

Academic / merit rule: Current outreach academic and income rules apply, with stated category exemptions. Selection is district, category and gender based against limited slots.

How to apply: Apply online during the advertisement, then if shortlisted complete and return the detailed scholarship form. PEEF verifies and disburses through the institution.

Key documents: Category proof, result, admission, income, domicile/address, CNIC/B-Form and institution verification.

Continuation / caution: Twenty percent of total PEEF scholarships are allocated to special quota under the official page, but selection is competitive.

Official source: [PEEF Special Quota process and categories](#)

PEEF Quotas for Other Provinces, AJK, GB, ICT and former FATA

Status / timing	Support type	Coverage	Main gateway
ANNUAL / focal-office call	Regional merit-cum-need scholarship	Intermediate, graduation and selected higher-level allocations	Provincial/territorial Higher Education focal office and PEEF

Who can apply: Relevant province/territory domicile, public-sector institution pass-out, at least 60% in the annual Matric/Intermediate examination, and regular full-time admission in the same year.

Academic / merit rule: Top-to-bottom merit plus financial need against the region's allocation.

How to apply: Follow the advertisement of the relevant provincial/territorial focal office, submit the prescribed PEEF form there and complete verification.

Key documents: Domicile/local, public-institution result, admission/bonafide, income affidavit, CNIC/B-Form and focal-office documents.

Continuation / caution: The allocation changes annually. A Punjab domicile is not required for the specifically allocated other-province quota; the student uses his/her own regional domicile.

Official source: [PEEF other-provinces allocation and process](#)

Chief Minister Honhaar Undergraduate Scholarship - Punjab

Status / timing	Support type	Coverage	Main gateway
PORTAL ACTIVE / phase-specific deadline must be checked	Tuition scholarship	Tuition fee support; exact government/university sharing can vary by phase and institution	Punjab HEC Honhaar portal plus university focal person

Who can apply: Punjab domicile and enrollment in an eligible program/institution/semester under the current phase. Income, age and institution conditions must be taken from the live portal. Some expansions have included selected students outside Punjab and later semesters, so do not rely on an old single-phase summary.

Academic / merit rule: Published phase thresholds have varied by institution and discipline; examples include higher thresholds for public medical/dental and science programs. The live phase criteria control.

How to apply: Register on the official portal, select the correct university/program/semester, upload domicile, academic and income documents, then complete university verification and any scrutiny/interview.

Key documents: Punjab domicile, CNIC/B-Form, admission/enrollment, academic results/transcript, income proof and portal-specific affidavit.

Continuation / caution: Maintain the required academic standing and eligible enrollment. Ask the university whether the award covers 100% directly or is combined with university aid.

Official source: [Honhaar official portal](#) | [Participating university registration notice](#)

Punjab Government Servants Benevolent Fund - Education Scholarship

Status / timing	Support type	Coverage	Main gateway
ANNUAL - applications invited in January; 2026 cycle closed	Employee-child annual scholarship	Current annual rates vary for gazetted/non-gazetted and level; special PKR 50,000 for 90%+ achievers	Parent employee's department and Provincial/District Benevolent Fund Board

Who can apply: Children of regular Punjab government employees; serving/retired/deceased cases are handled under the applicable rules and form.

Academic / merit rule: Result/DMC is required. The special high-achiever award applies at 90% or above; ordinary level rates are category based.

How to apply: Download the form, attach verified DMC and service/pay/pension documents, and submit through the parent department to the competent Benevolent Fund Board during the January call.

Key documents: Application, DMC verified by Controller/Registrar/authorized officer, employee and student CNIC, latest pay slip or PPO/pension book, institution affiliation and required attestations.

Continuation / caution: Apply annually. The official scholarship page and FAQ show slightly different historical primary-level figures, so use the current notification/form for the exact rate. BS/professional classification should be confirmed by the board.

Official source: [Punjab Benevolent Fund scholarship rates](#) | [Eligibility, documents and January timing](#)

Punjab Educational Scholarships for Religious Minorities

Status / timing	Support type	Coverage	Main gateway
CLOSED / next annual cycle - deadline was 20 Jan 2026	Annual minority scholarship	PKR 60,000/year for bachelor level; PKR 100,000 for listed professional education in the 2025-26 call	Punjab Human Rights and Minorities Affairs online portal

Who can apply: Religious minority student with Punjab domicile, enrolled as a regular student in a government/semi-government institution within Punjab (including eligible federal institutions located in Punjab), at least 40% in the last examination and family income below PKR 59,600/month under the 2025-26 call. Private, distance, Open/Virtual University students were excluded.

Academic / merit rule: Highest marks considered first among complete eligible applications.

How to apply: Apply online, upload all documents, have income verified by a Class-I/BPS-17 officer, academic section verified by institution head and religious section verified by the stated religious authority.

Key documents: Attested academics, CNIC/B-Form, Punjab domicile, income verification, institution verification and minority/religious verification.

Continuation / caution: Fresh annual application. Rates and income threshold can change with the new fiscal-year call.

Official source: [Punjab minority scholarship portal](#)

Sindh Educational Endowment Fund (SEEF) 2025-26

Status / timing	Support type	Coverage	Main gateway
OPEN - latest verified institutional deadline 31 Aug 2026	Need-cum-merit tuition scholarship	Tuition support at SEEF panel public/private universities; exact amount follows policy/institution	SEEF online portal and panel university SFAO/ERFA

Who can apply: Sindh domicile and PRC, enrollment for academic year 2025-26 at a panel institution, financial need and generally at least 2.5 CGPA or 60%. The current institutional notice identified an annual family-income ceiling of PKR 6,000,000 and eligible fields; confirm against your university call.

Academic / merit rule: Minimum academic threshold plus need assessment/interview; selection is competitive.

How to apply: Apply online at the SEEF portal, print/sign the form/affidavit, combine required documents and submit the physical/institution copy to the university financial-aid office by its deadline.

Key documents: Sindh domicile, PRC, CNIC, transcript, enrollment, income proof/affidavit, utility bills and university checklist.

Continuation / caution: Maintain at least the required GPA/percentage and continuing need. A student cannot normally retain overlapping scholarships for the same purpose.

Official source: [SEEF official portal](#) | [Official university 2026 deadline and criteria notice](#)

Khyber Pakhtunkhwa Education Foundation (KPEF) Merit-cum-Inaffordability

Status / timing	Support type	Coverage	Main gateway
CLOSED / next annual call - latest deadline 15 Dec 2025	Merit-cum-inaffordability scholarship	Scholarship through approved/MOU institutions; amount follows KPEF award	KPEF online portal only

Who can apply: KP/Newly Merged Districts domicile, freshly enrolled first-year BS (or MS), approved/MOU institution, parent/guardian income at or below PKR 160,000/month, and no other scholarship.

Academic / merit rule: At least 70% in the last examination or 3.00 CGPA in each semester. Equal male/female distribution is stated, with preference noted for orphans/shuhada, disability and Zakat-entitled families.

How to apply: Register online, check the approved institution list, complete the form before the deadline, and attend the university-campus interview. Direct paper applications to KPEF/university are not accepted under the latest call.

Key documents: KP/NMD domicile, CNIC/B-Form, admission/enrollment, results, income/pay/pension evidence and special-category proof.

Continuation / caution: Maintain 70% or 3.00 CGPA; otherwise KPEF discontinues the scholarship.

Official source: [KPEF 2025-26 criteria](#) | [KPEF results and approved institution notices](#)

Balochistan Education Endowment Fund (BEEF) - BS programs

Status / timing	Support type	Coverage	Main gateway
OPEN for some schemes; university deadlines vary	Regular/partially funded, special quota and selected fully funded schemes	Annual stipend or full/partial support depending on scheme	BEEF focal person/FAO at the educational institution

Who can apply: Balochistan local/domicile for principal schemes. Out-of-province BS students must study in a public-sector institution outside Balochistan, have at least 60% or 3.00 CGPA and not receive another scholarship. Within Balochistan, top-department merit and 75% attendance commonly apply; special quota can relax merit to 45% or 2.5 GPA.

Academic / merit rule: Top 10/15 departmental list or allocated institution merit list for regular partial schemes; 60%/3.0 general threshold; special quota has stated relaxation.

How to apply: Do not send an individual form where the policy requires institutional submission. Contact the university BEEF focal person, complete the BEEF form, and let the institution forward the merit list/forms.

Key documents: Local/domicile, CNIC/B-Form, transcript/result, bonafide, photographs, attendance/merit list and any special-quota proof.

Continuation / caution: No other scholarship, no failure/supplementary, required attendance and merit. Exact campus deadline and stipend rate follow the annual policy.

Official source: [BEEF official portal and current openings](#) | [BEEF out-of-province BS criteria](#)

AJK Educational Endowment / PEEF-AJK Graduation Scholarship

Status / timing	Support type	Coverage	Main gateway
ANNUAL / focal process	Merit-cum-need scholarship	Financial assistance for eligible	PEEF/AJK focal office and

AJK students

institution

Who can apply: AJK domicile, annual Matric/Intermediate exam from BISE Mirpur, at least 60%, same-year regular full-time admission, monthly parent income at or below PKR 60,000 under the current PEEF page, no other scholarship; special quota categories are also listed.

Academic / merit rule: At least 60% plus need and allocated merit.

How to apply: Follow the AJK/PEEF advertisement or focal office, complete the prescribed form and submit institution/income verification.

Key documents: AJK domicile, BISE result, admission/bonafide, income affidavit, CNIC/B-Form and category proof where applicable.

Continuation / caution: Use the newer official eligibility page; older duplicate pages may show obsolete income ceilings.

Official source: [PEEF-AJK current eligibility page](#)

Gilgit-Baltistan Educational Endowment Fund (GBEEF) and Directorate stipends

Status / timing	Support type	Coverage	Main gateway
MONITOR / lists and calls through GB Directorate	Regional merit/endowment support	Stipends and merit scholarships according to GB policy/nomination	Directorate of Education Colleges, GB and institution

Who can apply: GB domicile/local and the current scheme-specific academic/institution conditions.

Academic / merit rule: Merit list and available regional allocation.

How to apply: Monitor the Directorate downloads, contact the scholarship/nomination office, and submit through the named institution/focal route.

Key documents: GB local/domicile, CNIC/B-Form, academics, admission/enrollment, income/category documents as required.

Continuation / caution: A May 2026 general GBEEF list was published, but the next fresh application window was not clearly identified; verify before relying on it.

Official source: [GB Directorate scholarship downloads](#)

6. Employment-linked benefits

Which employment route applies?

Parent status	Main route	Critical proof
Punjab government employee	Punjab Benevolent Fund; PEEF BPS 1-4 special quota	Service status, pay slip/PPO, BF deduction, verified DMC
Federal government employee	FEB & GIF education stipend/fee reimbursement	Federal service/retirement/death record and department routing
Registered industrial/factory worker	Workers Welfare Fund / provincial WWB	EOBI/Social Security, registered establishment and service record
Government employee family seeking PBM	Usually ineligible	PBM explicitly excludes government servants and family members
Deceased eligible industrial worker	WWF may allow child if death-grant condition met	Death certificate, legal-heir/widow record and WWF death grant

Do not mix the categories

A government employee is not automatically an "industrial worker" for Workers Welfare Fund. WWF eligibility depends on the establishment, worker definition, EOBI/Social Security registration and service conditions. Conversely, PBM education aid excludes government employees and their families.

7. Trusts, charities and interest-free education loans

Ihsan Trust Interest-Free Education Loan

Status / timing	Support type	Coverage	Main gateway
UNIVERSITY CALL / partner institution	Qarz-e-Hasna - repayable principal, no interest	Educational expenses approved on need-cum-merit basis; amount and fee components vary by partner university	Partner university financial-aid office and Ihsan Trust

Who can apply: Pakistani citizens, male or female, who are needy and deserving and study at a partner university/professional body.

Academic / merit rule: Need-cum-merit assessment by the institution/trust; a good academic record and continued progress are expected.

How to apply: Ask the university FAO whether it is an Ihsan Trust partner and when its call opens. Submit the university/trust form and attend verification/interview. Repayments are later deposited through the stated system/Meezan Bank channel using the assigned code.

Key documents: Admission/enrollment, academics, CNIC, household income/assets, guarantor/undertaking and university verification.

Continuation / caution: This is a loan, not a scholarship. Read the repayment start, monthly amount and default terms before signing. Meezan Bank is generally the repayment/payment channel; it is not a universal direct Meezan Bank scholarship application.

Official source: [Ihsan Trust eligibility and repayment process](#) | [Ihsan Trust partner institutions](#)

Diya Pakistan Scholarship

Status / timing	Support type	Coverage	Main gateway
ROLLING ONLINE for university students, subject to program capacity	Need/merit charitable scholarship	Annual/periodic stipend or support determined by Diya	Diya online application and student's institution

Who can apply: Graduation/BS or Master-level students; official instructions require at least 60% at all levels and disallow students already receiving more than PKR 25,000 per year from another organization. The current wording must be checked for institution-sector restrictions.

Academic / merit rule: At least 60% at all levels plus need and document review.

How to apply: Complete the online scholarship form, send/upload the requested scans with CNIC reference, monitor status (clarify/incomplete/complete/approved), and coordinate with the institution for cheque verification/disbursement.

Key documents: CNIC/B-Form, results/transcript, bonafide, fee and income evidence, photographs and Diya forms.

Continuation / caution: Renew in the next fiscal/academic period if the course continues and continue meeting the no-duplicate rule.

Official source: [Diya Pakistan official instructions](#)

Alkhidmat Academic Scholarship

Status / timing	Support type	Coverage	Main gateway
PERIODIC / regional and partner selection	Charitable scholarship/sponsorship	Support level varies; published sponsorship plans show BS/engineering annual support ranges	Alkhidmat education offices/partner institutions

Who can apply: Talented and financially needy students in colleges, universities, medical and technical institutions without discrimination under the program statement.

Academic / merit rule: Academic merit plus verified financial need.

How to apply: Contact the Alkhidmat education/scholarship office or participating institution for the current student application route; the public web pages are often donor-facing, so obtain the current applicant form directly.

Key documents: Academic record, admission/enrollment, CNIC, income/need evidence and local office requirements.

Continuation / caution: Amount and continuation depend on sponsor and annual review. Use the official Alkhidmat domain and helpline.

Official source: [Alkhidmat Academic Scholarship official page](#)

Akhuwat Education Services and Akhuwat Colleges

Status / timing	Support type	Coverage	Main gateway
INSTITUTION ADMISSION / program-specific	Fee-free education and selected merit scholarships	At Akhuwat colleges, tuition and residential facilities may be fully covered according to the program	Official Akhuwat education/admission route

Who can apply: Deserving students meeting the merit/admission conditions of Akhuwat College Kasur (including listed 4-year BS Economics and BS IT) or Akhuwat College for Women Chakwal (listed BS English/Economics), and any specifically announced PATH/support program.

Academic / merit rule: Institutional admission merit plus financial need/selection.

How to apply: Use only akhuwat.org.pk, contact the relevant college and follow its admission test/interview. Akhuwat states that it does not offer loans online; general microfinance branches should not be confused with a guaranteed university tuition loan.

Key documents: Admission form, academics, CNIC/B-Form, household need evidence and residential program documents.

Continuation / caution: Avoid unofficial lookalike domains and paid agents. Confirm the exact BS program, gender/campus eligibility and residential terms.

Official source: [Akhuwat Education Services](#) | [Akhuwat College Kasur BS programs](#)

Community, alumni and professional foundations

Status / timing	Support type	Coverage	Main gateway
UNIVERSITY CALL / donor-specific	Scholarship or stipend, usually not repayable	Partial/full tuition or annual stipend	University FAO, department or community foundation

Who can apply: Varies by community, district, profession, discipline and need. Examples commonly listed by universities include Memon/Bohra community funds, Agha Khan-related support, Gurmani Foundation, Karwan-e-Ilm, Professional Education Foundation, alumni funds and memorial scholarships.

Academic / merit rule: Usually merit-cum-need; some are discipline or district restricted.

How to apply: Ask the university FAO for the current donor list and application calendar, then apply on the donor form through the campus. Never assume a donor listed in an old prospectus is funding the current cohort.

Key documents: Standard need-based pack plus community/district/discipline proof.

Continuation / caution: Annual donor budget and GPA review. Disclose every other award.

Official source: [Example university donor/funding directory](#)

8. Major university-specific financial aid systems

Apply at admission whenever possible

Private universities commonly require the financial-aid form before or alongside the admission deadline. Public universities more often announce aid after enrollment. Missing the first window can make an otherwise eligible student wait a full year.

FAST-NUCES

Available support: Full tuition merit scholarship for top three Board position holders and top three admission-merit positions at each campus; interest-free need-based study loan; OSAF/FAANA/Ihsan/community and provincial external support.

When to apply: For Fall 2026, undergraduate merit results are scheduled for 22 July, with admission formalities 27 July-13 August. A newly admitted student should request the prescribed financial-aid/study-loan form as soon as the campus notice appears.

Procedure and selection: Merit awards are automatic/position based. For need aid, submit the prescribed form and household evidence to the campus; selection is based on real need and academic ability. Provincial schemes use their own portals/focal persons.

Renewal / important rule: Merit scholarship requires standard course load, no failed/repeated/withdrawn course and semester GPA at least 3.0. Internal study loan is tuition-only, maximum eight BS semesters, suspended on academic warning. Repayment begins three months after graduation or earlier employment and is due within four years.

Official link: [FAST scholarships and study-loan rules](#) | [FAST Fall 2026 schedule](#)

LUMS - Regular Financial Aid and National Outreach Programme (NOP)

Available support: Need-based financial aid for regular undergraduate applicants and fully funded NOP awards for admitted students who pass the outreach and admission process.

When to apply: Regular Fall 2026 UG application closed 27 January and financial-aid documents closed 28 February 2026. NOP Summer Coaching 2026 deadline was 10 March (documents 13 March) for students targeting Fall 2027.

Procedure and selection: Regular applicants indicate financial aid in the admission application and submit the detailed online household form/documents by the separate FA deadline. NOP applicants apply in first year Intermediate/A-Level, may attend summer coaching, later apply to LUMS like all candidates, take the funded admission test and undergo financial-need assessment.

Renewal / important rule: NOP requires at least 80% Matric/O-Level to apply and proven need; it is not automatic admission. All aid is subject to truthful disclosure, satisfactory progress and LUMS policy.

Official link: [LUMS NOP process and dates](#) | [LUMS 2026 admission and FA calendar](#)

Ghulam Ishaq Khan Institute (GIKI)

Available support: Institute merit scholarships, need-cum-merit financial assistance, full/partial interest-free loans, provincial endowments, Ihsan Trust and donor-funded seats.

When to apply: For the 2026 admission cycle, applications opened 15 March, closed 15 June, financial-aid documents were due 20 June, test 6-10 July and merit list expected 21 July. Future applicants should submit aid documents with admission, not after fee payment.

Procedure and selection: Select financial assistance in the admission process, pay the stated processing fee if applicable, and provide the full household documents. Government and donor scholarships may be allocated after admission/announcements.

Renewal / important rule: Coverage and seats differ by sponsor. Interest-free loan recipients repay under the agreement, commonly beginning after graduation. Maintain academic standing and report any external scholarship.

Official link: [GIKI scholarships and financial assistance](#)

NUST

Available support: NUST need-based financial aid (partial/full tuition subject to assessment), donor scholarships, interest-free loans/Ihsan Trust options, fee deferment and limited academic-performance stipends.

When to apply: The NUST Financial Aid Application Form (NFAAF) is normally submitted with the undergraduate admission/NET application by the stated admission deadline; do not wait for final selection unless the current portal tells you to.

Procedure and selection: Complete NFAAF online, upload soft copies, and if shortlisted submit hard copies/original verification. NUST assesses household income, assets, dependents and expenses. Students may be required to apply to external schemes and show proof.

Renewal / important rule: Aid may be partial and is reviewed. Keep satisfactory academic standing and update financial information. Installments/deferment are not a substitute for first-semester aid unless formally approved.

Official link: [NUST scholarships portal](#)

PIEAS

Available support: PIEAS need-based tuition waiver/Qarz-e-Hasna from 25% to 100%, plus Education Support Fund for possible hostel/living support and other aid.

When to apply: New applications are advertised within PIEAS in the first three weeks of the Fall semester. A fresh/revision request may also be allowed in Spring under the published schedule.

Procedure and selection: Obtain the form from the PIEAS financial-aid office, attach supporting documents, apply simultaneously for need-based/ESF where relevant and attend the Executive Committee interview. Processing may take 8-10 weeks.

Renewal / important rule: Spring continuation at the same level requires GPA not below 2.67; fresh continuation/revision is handled in the first three weeks of Fall. Tuition waiver and Qarz-e-Hasna are different - read the award letter.

Official link: [PIEAS scholarship, Qarz-e-Hasna and ESF rules](#)

IBA Karachi

Available support: Need-based financial assistance, tuition support up to the approved level, installments, bridge support and Qarz-e-Hasna/donor scholarships.

When to apply: Students apply after securing admission and only during the online FA application period announced by IBA. National Talent Hunt applicants follow a separate pre-admission schedule.

Procedure and selection: Complete the online FA form, upload household evidence and attend scrutiny/interview. IBA states that full-time morning students are the principal eligible group and awards are based on demonstrated need.

Renewal / important rule: Support is usually tuition-focused, can run up to eight semesters and requires reapplication/review each year. Admission does not guarantee assistance; a student must document that IBA is beyond family means.

Official link: [IBA Karachi financial assistance information](#)

Sukkur IBA University - OGDC National Talent Hunt Program (NTHP)

Available support: Six-month fully funded foundation semester for 340 selected students; top 200 foundation performers receive admission to regular undergraduate programs on a fully funded scholarship under university policy.

When to apply: The 2026 portal showed February deadlines/test dates and the cycle is closed. Monitor the next national call early in the year.

Procedure and selection: Apply online, submit required financial and academic documents, sit the province-level entrance test, pass financial-need assessment, enter the foundation semester and rank among the top performers for the BS scholarship.

Renewal / important rule: The official current wording is "fully funded." No official current page reviewed for this guide independently defined the marketing phrase "120% scholarship"; students should ask for a written list of tuition, hostel, mess, transport and stipend components.

Official link: [Sukkur IBA OGDC-NTHP selection process](#) | [NTHP 2026 dates](#)

Habib University

Available support: Yohsin 100% tuition/lab/studio scholarship, Excellence 60-80%, Merit up to 50%, HUTOPS 100% four-year support, HUEOP up to 80%, plus need-based grants.

When to apply: Financial aid/scholarship is submitted with the admission e-application by the selected test-series deadline. The June-series Fall 2026 deadline was 17 July 2026 and is now past.

Procedure and selection: Apply online for admission, complete the linked FA form, upload household documents and take entrance test/interview. Merit scholarships use grades, test/SAT, writing/communication, interview and meta-curricular profile; grants use financial need.

Renewal / important rule: Minimum CGPA: Yohsin 3.5, Excellence 3.0, Merit 2.75, HUTOPS/HUEOP 3.0, with full-time and good-conduct conditions. A probationary/appeal route may exist under current policy.

Official link: [Habib scholarships and financial aid](#) | [Habib Fall 2026 deadlines](#)

COMSATS University Islamabad (CUI)

Available support: Admission-topper and board-position scholarships, internal campus awards, HEC/PEEF/Honhaar/BEEF/SEEF/WWF/Benevolent Fund/PBM/Diya/Ihsan and donor schemes.

When to apply: Campus calendars differ. COMSATS Lahore Fall 2026 admission deadline is 24 July 2026; scholarship notices are posted by campus and often require action after admission.

Procedure and selection: Apply for admission, monitor the campus scholarship/financial-aid page and submit to the scholarship office by each donor deadline. Do not assume a scheme listed by one campus is open at all campuses.

Renewal / important rule: Examples: board position full tuition may require CGPA 3.5; admission topper full tuition may require CGPA 2.5. External schemes keep their own renewal rules.

Official link: [COMSATS Lahore scholarships and aid](#) | [COMSATS Lahore Fall 2026 timeline](#)

UET Lahore

Available support: Large portfolio of need/merit scholarships, tuition fee waivers/Zakat, PEEF/Honhaar, donor foundations, alumni support and student-loan notices.

When to apply: Many awards open after enrollment through the Financial Aid and Career Services (FA&CS) portal/LMS. In 2025-26 UET reported 10,508 scholarships worth PKR 1.45 billion; each call has its own deadline.

Procedure and selection: Secure admission, register on the university LMS/FA portal, monitor scholarship notices and apply with verified household and academic documents. Department/discipline restrictions are common.

Renewal / important rule: One-year donor awards may need a fresh application. Tuition-waiver/Zakat and donor scholarships can be withdrawn for poor academic progress or duplicate funding.

Official link: [UET FA&CS scholarship notices](#) | [UET 2025-26 scholarship scale](#)

Quaid-i-Azam University (QAU)

Available support: HEC need-based, PBM, OGDCL, provincial endowments, alumni/endowment and individual donor scholarships managed by OSFA.

When to apply: Scholarships are announced at different times after admission. Contact OSFA immediately after enrollment and monitor its official page/notices.

Procedure and selection: Submit the scheme-specific form to the Office of Scholarship and Financial Assistance, attend the relevant committee interview and complete sponsor verification.

Renewal / important rule: Each sponsor has its own continuation policy. Maintain regular status and report other funding.

Official link: [QAU scholarship and financial assistance office](#)

University of the Punjab

Available support: Department merit/need funds, disability aid, PBM, PEEF, Balochistan/FATA, National Bank loan, Gurmani and other donor scholarships.

When to apply: Department and central scholarship calls are posted throughout the academic year. PEEF/Honhaar and PBM follow their own provincial timelines.

Procedure and selection: Ask the department scholarship committee and central student office for current forms; apply separately to each compatible donor and obtain department/university verification.

Renewal / important rule: Amounts and donor availability vary greatly by department. Old department tables are evidence of scheme types, not a guarantee of current slots.

Official link: [Punjab University scholarship categories](#)

9. Month-by-month application calendar

A. Annual preparation calendar

Months	Main opportunities	Student action
September-November	LUMS/Habib early admissions; PEEF special quota; KPEF often opens; federal minority calls may appear	Create accounts, domicile/PRC, income affidavits and outreach applications.
December-February	LUMS regular admission/FA; IBA/Sukkur IBA talent hunts; Habib test series; federal/provincial annual calls	Submit admission and FA forms together; do not wait for final board result if provisional applicants are allowed.
March-April	LUMS NOP, private university rounds, some donor/trust calls	Finish documents and tests; ask for fee-waiver/aid decision before paying large non-refundable deposits.
May-June	FAST, GIKI, NUST, UET, PIEAS, COMSATS and many public admissions	Select FA option in portal; keep test/admission receipts; submit GIKI/NUST-style aid packs by their separate deadline.
July-August	Results, admission confirmations, SEEFF, BEEF/FAO calls, public-university financial aid	Visit FAO in first week; apply HEC need-based/PBM/WWF/university aid; request installment/deferment only in writing.
September-October	First semester starts; PIEAS first-three-week aid; PEEF/KPEF/BEEF calls; donor scholarships	Submit fresh FA forms, attend interviews and keep copies of registration/full course load.
November-January	Award verification/disbursement and annual employee benefits	Track missing documents; prepare Punjab/Federal benevolent fund applications and next-cycle outreach.

B. 18-month outreach timeline for an Intermediate/A-Level student

16. First year, September-December: target 80%+ if considering LUMS NOP; build result and income file.
17. First year, January-March: apply to NOP/talent-hunt programs that recruit before final Intermediate/A-Level.
18. First year summer: attend any coaching/foundation program and maintain records.
19. Second year, September-February: submit private-university admission and aid applications.
20. Second year, March-July: sit tests and apply to public universities; submit concurrent FA forms.
21. Result/admission month: apply to domicile, HEC, PBM, WWF, benevolent and campus schemes immediately.

10. Four-year renewal and survival plan

Stage	Academic target	Financial-aid action	Evidence to save
Before Semester 1	Secure merit admission; avoid unnecessary self-finance category	Apply admission aid, domicile schemes, HEC/PBM/WWF and employee benefits	Offer letter, merit list, fee structure, submitted forms
End of Semester 1	Stay above every sponsor threshold; no failed/repeated course	Submit transcript and renewal; apply to schemes requiring enrolled status	Transcript, attendance, full-load registration, fee receipts
Year 2	Keep CGPA buffer of at least 0.25 above minimum	Reapply annual donor/SEEF/BEEF/KPEF/benevolent awards and update income	Fresh salary/pension, tax/bank, siblings fees, utility bills
Year 3	Avoid late withdrawal/repeat that may be uncovered	Confirm remaining semesters and any funding ceiling; plan internship income	Award balance, loan ledger, semester plan
Year 4	Graduate within normal duration	Obtain final disbursement, no-dues and loan repayment schedule	Final transcript, award statement, signed repayment plan
After graduation	Employment and repayment discipline	Start FAST/Ihsan/NBP/other loan repayment on the contract date	Receipts, employer deduction record, clearance letter

Minimum-GPA strategy

Do not aim exactly at the cut-off. A student with a 3.00 renewal requirement should target 3.25 or higher because one difficult semester, incomplete grade or course withdrawal can suspend support.

When family income changes during the degree

- Inform the FAO/sponsor immediately if the earning parent dies, loses employment, retires, becomes disabled or faces a major medical event.
- Submit documentary evidence and request reassessment, emergency aid, fee deferment or a Qarz-e-Hasna bridge.
- Do not hide an increase in income or a new scholarship. False information can cancel all support and create recovery liability.
- If aid is delayed, obtain written installment/deferment approval before the fee deadline; verbal assurance is not protection from cancellation.

11. Profile-based recommendations

Student profile	Priority application stack
Punjab domicile, low income, public university	University HEC Need-Based + PEEF/Honhaar + PBM (if not government employee) + campus Zakat/donor aid.
Punjab domicile, private university	Honhaar if institution/phase eligible + university grant/loan + PEEF where permitted + Ihsan Trust/Diya/Alkhidmat.
Sindh domicile/PRC	SEEF + university aid + Workers Welfare if worker child + BEEF/PEEF only if a specific cross-province quota applies.
KP/NMD domicile	KPEF first-year call + university aid + Workers Welfare + PEEF other-province allocation where advertised.
Balochistan local/domicile	BEEF through focal person + HEC Balochistan/ex-FATA when open + university aid + PEEF Balochistan allocation.
GB domicile/local	HEC GB when a new phase opens + GBEEF/Directorate + PEEF other-province quota + university aid.
AJK domicile	PEEF-AJK/KEEF + PAK-EEF thematic calls + university aid and partner trust loans.
Child of Punjab government employee	Punjab Benevolent Fund + PEEF BPS 1-4 special quota if applicable + university aid. PBM is not eligible.
Child of federal government employee	FEB & GIF stipend/fee reimbursement + university aid; PBM is not eligible.
Child of registered factory/industrial worker	WWF/Provincial WWB is often the strongest package because it can include full approved fees, hostel/transport and monthly stipend.
Religious minority student in Punjab public institution	Punjab minority scholarship + PEEF minority special quota + university/HEC aid.
Very high merit, weak finances	Apply simultaneously for automatic merit scholarships and need aid; merit can remove tuition while need aid covers living/hostel if permitted.
Private university but no cash for first semester	Apply FA with admission; ask for written deferment/installment; add Ihsan/FAST-style study loan or donor bridge - never assume reimbursement later.

12. Interview preparation, rejection prevention and scam safety

A. Questions commonly asked in a need interview

- Who earns in the household, and what is the exact monthly/annual income from every source?
- How many dependents and studying siblings are supported?
- Do you own or rent the house? What land, vehicle, business or bank assets exist?
- Why did you choose this program/university instead of a lower-cost option?
- How much can the family realistically contribute each semester?
- Have you applied for any other scholarship or loan?
- What changed in the family if this is an emergency/reassessment request?
- How will you maintain the GPA and, for a loan, how will you repay after graduation?

B. Most common rejection reasons

- Missing deadline, especially a separate financial-aid deadline.
- Wrong domicile/PRC or applying to a non-panel institution.
- Self-finance/evening/private enrollment where the scheme requires public regular merit.
- Income figures that conflict across affidavit, salary slip, tax return and bank statement.
- Unexplained assets or incomplete family/dependent information.
- Unattested or improperly verified results.
- Holding another scholarship without disclosure.
- CGPA below renewal threshold, failed/repeated course or less than full course load.
- Sending an individual form when the sponsor only accepts university/focal-office submissions.

C. Scam and misinformation checklist

- Use official .gov.pk, .edu.pk or the organization's verified domain. Type the address yourself when a link looks unusual.
- Akhuwat states that it does not offer loans online. Do not pay a person claiming to guarantee an Akhuwat loan or scholarship.
- Do not pay an agent for "guaranteed selection," merit-list manipulation or domicile verification.
- Never share OTP, ATM PIN or full banking password. A legitimate scholarship may request an account/IBAN, not control of your bank account.
- Confirm whether "100%" means tuition only. Ask for an official award letter listing every covered charge.
- Treat social-media opening dates as alerts only; submit through the official portal and save acknowledgement.
- Do not use the phrase "120% scholarship" unless the current official notification defines the extra 20% and its conditions.

13. Official source directory

Click the source names in the PDF. Recheck the page before every application because dates, income ceilings, eligible programs and award amounts can change.

Student scholarship tracking sheet

Print or copy this table for every university. Use one row per application.

Scheme	Portal opens	Deadline	Submitted	Tracking no.	Interview/result	Renewal rule

Final 48-hour submission check

- Correct scheme, institution, program, semester and domicile selected.
- All income sources disclosed and totals match attachments.
- Every required signature, stamp, attestation and affidavit completed.
- Uploads open clearly and are in the requested order/size.
- Online form submitted and hard copy delivered where required.
- Acknowledgement, tracking number and complete PDF saved in two places.
- University FAO/focal person informed and interview originals prepared.

Research note

The requester-supplied draft and link list were used as a starting inventory. Entries were checked against current official sources where possible. Older programs were not presented as currently open unless a 2026 official call or active institutional route was identified.
